Muthaferakhat pensions are only life grants, and the Continuance of these allowances is at the discretion of Govt. and while Continuing, mainly the financial Condition of the claimants is taken into Consideration.

Meir Hassan Ali Madani, (the deceased pensioner) was granted a Muthaferakhat pension of Rs 6-0-9 in G.O No. Dl. 4 358-9/STA 132-23-11 dated 31st January 1925. It is clearly laid down in para 2 of the G.O. that the pension will be a life grant.

Before deciding whether the pension has to be Continued or not, the D.C. Mysore may perhaps be requested to forward a report on the financial Condition of the petitioners. Submitted with a draft.

BRS 12/1 It is stated in the petition that the deceased pensioner has a son also and hence has a prior claim on the pension. Perhaps the Dy Comr. may be requested to report on this point also

Sirs

From the D.C. Mysore.

No. F. 3311-37/ dated the 4th March 1938.

forwards his report in the matter.

From the records enclosed, it is seen that the deceased pensioner (Mir Hussan Ali Madani) has left behind him a son Mir Gulam Ali Madani, a petty toyshop keeper in Bangalore city and a widowed daughter (the petitioner) and her two children the son of the deceased ~~that~~ has given a written statement consenting to the Continuance of the above pension to his sister, and adds that his father when alive bequeathed the house to him and gave the pension ticket to his daughter. The pension in question cannot be bequeathed to the successors particularly because, Musalmanka pensions are (only life grants and) not hereditary like the Sarjapur pensions, and the Continuance of these pensions to the successors of the original grantees rests with the Govt of Mysore. On the death of a pensioner, if no means of support exist, the deceased's widow or other female relatives are usually given a reduced pension. In the present

Case, the son of the deceased is alive and he has out of sympathy for his sister, resigned it in her favour. The panchayatdars who have signed the Mahazar dated 1.3.38 have recommended the Continuance of the vacant pension in the name of the petitioner. For the reasons mentioned at A above and also because, the pension was granted as a life pension & the last pensioner it is for Consideration if the ~~amount of~~ pension continued at a reduced rate, may be ~~reduced to some extent~~ to the petr.

A draft G.o is however put up, sanctioning the Continuance of the pension to Fathima Begum the petitioner, with the observation that the pension is tenable during the life time of the lady as a life grant. Whether the pension should be reduced is for orders.

For which act of benevolence, myself and my daughters will ever pray for the continued happy long life

life of our Most Honoured, Soverign and the Royal Family and the onward Progress, at every step of our Model state.
